Party Structure

Our parties last one hour and thirty minutes. The first hour consists of exciting activities and games in our gymnastics area. All activities are supervised by a Shining Light coach. The remaining thirty minutes are spent in our front lobby at the party tables where you can serve refreshments and open your gifts. We provide a staff person to assist you in setting up and cleaning up after your party. We provide invitations you can mail out to your guests. Parties are structured for children ages 3yrs and up. We limit the number of 3yr olds to 20 kids per party. Children ages 5 + are limited to 25 kids. These limits are to ensure your child spends as little time as possible waiting in line and more time having fun!

Cost
